- Use of the St. Louis ASHI membership mailing list

"I have been an ASHI Affiliate doing gas safety inspections for the membership for over a decade. ASHI has really opened doors for me in the Inspector Community as well as with Real Estate Agents across the St Louis Area! The ASHI members are so easy to work with and are so appreciative of all the support we provide to them in the inspection process. Not only have I gotten lots of new customers but have made some lifelong friends! ASHI members are the most professional and they get it!"

Mike Stein, Classic Aire Care

ASHI Inspectors are asked for recommendations and referrals on a daily basis from Home Buyers and Realtors. They want to know who we recommend and where to obtain products and services. Here is your chance to put yourself in front of St. Louis area ASHI inspectors on a regular basis. St. Louis ASHI offers a great opportunity for targeted exposure to those Home Buyers and Realtors. We encourage members to consider doing business with our affiliates.

About St. Louis ASHI Affiliate Membership

The St. Louis ASHI (St. Louis Chapter of the American Society of Home Inspectors) Affiliate Membership is for industry vendors, suppliers, and contractors who are seeking maximum exposure to home inspection professionals throughout the year.

There is no single better opportunity to reach out to the St. Louis area ASHI Inspectors. Keep your company or organization name highly visible when a home buyer asks a home inspector for a referral or an inspector is ready to make a purchasing decision.

Become an affiliate and you can use our affiliate logo.
